Wednesday, 16 September 2020 – The legendary **iHeartRadio Music Festival** is celebrating its 10<sup>th</sup> anniversary this weekend with a **two-day virtual mega-concert**, and **you can hear it LIVE** on iHeartRadio Australia from **11am AEST this Saturday 19<sup>th</sup> and Sunday 20<sup>th</sup> September**.

The star-studded event, recorded live on stages in Los Angeles and Nashville, will feature performances by some of the globe's biggest music stars including **Alicia Keys**, Rock & Roll Hall of Fame band **Bon Jovi**, **BTS**, **Coldplay**, **Kane Brown with Special Guests Khalid and Swae Lee**, **Keith Urban**, **Migos**, **Miley Cyrus**, **Thomas Rhett**, **Usher** and more.

**Brett "Nozz" Nossiter, Content Director of iHeartRadio Australia**, said: "Music fans are in for an epic show with a killer lineup of music artists confirmed for the 10th iHeartRadio Music Festival. At a time when we need music even more than ever, there will be spectacular performances and once in a lifetime collaborations by artists from all genres, who are ready to plug in and play for this virtual festival."

While music fans cannot attend in person given the limitations on live events during the pandemic, millions of iHeartRadio listeners in Australia and across the world will tune in to experience the one-of-a-kind collaborations and surprise performances as many bands reunite to perform on a stage together again for the first time in months.

The 10th anniversary will also feature special remote performances and include intimate backstage moments with artists sharing compelling and inspiring stories about how the COVID-19 pandemic has impacted their lives and their families, given the disruption in society and touring this year.

Australian fans can listen to a **live audio stream** on [iHeartRadio.com](https://www.iheart.com) from **11am AEST on Saturday 19<sup>th</sup> and Sunday 20<sup>th</sup> September 2020**.

### **About ARN**

ARN is one of Australia's leading Broadcast and On-demand audio companies, 'Defining Audio', with ownership or investments in 12 radio stations nationwide in addition to digital entertainment platform, iHeartRadio. ARN's vision is to deliver the most complete audio offering for audiences and advertisers, and its network brands

KIIS and Pure Gold, along with iHeartRadio and The Edge, entertain and influence over five million listeners each week across Australia.

Its KIIS network consists of Sydney's KIIS 1065 with Kyle & Jackie O, Melbourne's KIIS 101.1 with Jase & PJ, Adelaide's Mix102.3 with Jodie & Soda, Brisbane's 97.3FM with Robin, Terry & Bob and Perth's 96FM with Botica's Bunch for Breakfast. The National Drive Show across all stations is Will & Woody.

Its Pure Gold network consists of Sydney's 101.7 WSFM with Jonesy & Amanda, Melbourne's GOLD104.3 with Christian O'Connell, Brisbane's 4KQ with Laurel, Gary & Mark and Adelaide's Cruise 1323 with John Dean.

The Edge is available on FM as The Edge 96.ONE in Sydney and nationally via iHeartRadio and DAB+. The Edge Breakfast hosts are Mike E & Emma.

iHeartRadio, the world's fastest-growing digital service, was launched by ARN to the Australian market in 2013 and since then, the platform has had over 2.2 million downloads of the app and over 1.6 million registered users.

ARN's iHeartRadio is a free, all-in-one radio, music streaming, podcast and live events platform. In addition to being able to access their favourite music from around the globe, audiences can access their favourite stations in Australia from ARN, the ABC, SBS and Macquarie Media, as well as stations from New Zealand and the USA.

In 2020 ARN launched iHeartPodcasts Australia, providing advertisers with access to significant scale across local, global and catchup podcasts. The network quickly became Australia's number #1 podcast publisher alongside holding the #1 podcast in Australia.

ARN's suite of digital and social assets are the online home to Australia's leading radio stations, providing highly engaged entertainment content and news, complementing the on-air experience ARN's stations are best known for.
